CV | TORBJØRN SUNDAL HOLEN | CINEMATOGRAPHY & PHOTOGRAPHY

tsholen@gmail.com | tsholen.com | +4795885689 |

I was born into a family of doctors and raised in a small town on the west coast of Norway called Molde. Having spent three years studying in London over two periods, I have a varied background of studies in photography and cinema, most recently three years at the Norwegian Film School. I am a champion of working with analogue film both in still and moving work. But I am most primarily driven by a perpetual hunger for finding new ways of telling stories with images.
